**PROCESS
COMMUNICATION
MODEL®**

The Process Communication Model is the world's premier tool based on human behavior. It enables the user of PCM to understand how and why people communicate.

More than 1.3 million people have been trained or coached by a worldwide network of over 3,500 Process Communication Model certified trainers and coaches. Our Trainer Certification program is designed for anyone willing to master the art of adaptive communication. Our virtual session provides a convenient and accessible way to learn PCM.

Outcome of the Certification

- Master the power of the Process Communication Model®
- Provide PCM coaching and products to clients
- Interpret PPI results for clients
- Adapt your intervention strategy with others
- Analyze difficulties with PCM tool
- Observe and understand other people's behavior and know how to interact with them appropriately in various situations.

Mickaël Dufourneaud

Process Communication Model Master Trainer and Chief Operations Officer for Kahler Communications. He certifies PCM trainers and coaches. Mickaël is a Supervisor & Executive Coach. He has trained more than 10,000 people over 5 continents on different topics from public speaking to communication and management. He is being coached by Dr. Taibi Kahler himself. A drama school graduate: he has been studying comedy for 30 years with passion. Involved in transmitting his faith in Emotional Intelligence, he is a NLP Master Practitioner. Mickaël integrates comedy and emotion expressions in his training methods.

PCM LEVEL 1 PROGRAM

The Basic Concepts of Communication

- Distinguish that the way you say something is more important than what you say.
- The six personality types and their specific way of communicating.
- Presentation to each participant of his/her personality structure.

Understand and Manage Distress Behavior

- Distress and the different manifestations.
- The three degrees of distress: drivers, failure mechanisms, and despair.
- The consequences of distress on our efficiency, our communication and our management style.

Manage Situations of Miscommunication, Misunderstandings, Inefficiency, and Conflict

- Effects of stress in communication which generates stress in others.
- Identify behaviors of stress in others.
- How to manage PCM to return to positive and productive communication.

Develop Positive Communication

- The rule of communication.
- The different modes of perception by each personality type.
- Recognize the signs, attitudes, and behaviors indicative of the personality type of the person one is communicating with and use the right communication channel.

Motivate

- Psychological needs: what motivates and what does not motivate.
- How to satisfy everyone's psychological needs.

PCM LEVEL 2 PROGRAM

Connecting & Motivating

- Review Channel & Perceptions.
- Motivating with the psychological needs.
- Intervention strategy.

Resolving & Preventing Conflict

- Inviting out of doorway distress.
- Inviting out of failure mechanisms.
- Managing difficult situations: “How to say...?”

Advanced Theory

- Why do we phase? The issue of Personality phases.
- How the four myths manifest and are reinforced in distress.
- Identify life failure patterns by analyzing language, written and verbal.

COACH CERTIFICATION PROGRAM

What’s the right way to coach different personalities? How can you be sure you’re on the right track? PCM Coach Certification is for you. This training is interactive and focuses on practicing all modules and communication processes. Participants will be observed and assessed both on their theoretical knowledge of the model and their ability to coach to any of the six personality types. Training will take place in a virtual classroom.

In order to be certified, participants will:

- Complete PCM 1 & PCM 2
- Answer a written questionnaire on the PCM components.
- Select topics of Process Communication Model® to present in a coaching format to Master Trainer.
- Practice and demonstrate skills on dealing with a driver behavior by using appropriate channel and perception.
- A passing score is a minimum of 7/10 for both process and content.

CLIENT TESTIMONIAL

"I'm pleased to have completed the certification process and met some people who use PCM in a number of different ways. It's such a great tool and I'm glad to be able to use it to improve my interactions and allow others to do so as well."

COACH CERTIFICATION PROGRAM

3 Hours of Supervision to take place virtually with PCM Master Trainer. Please allow at least 2 weeks in between supervisions to allow for practice.

Certification will take place virtually after all supervisions are completed.

In order to be certified, participants will Answer a written questionnaire on PCM components.

Pass a practical exam using PCM (40 minutes)

6 participants at the most will be certified per day. In the case of insufficient result, the Master Trainer will establish an appropriate action plan with the candidate defining conditions to be certified at a later date.
