PCM LEVEL 1 PROGRAM

The Basic Concepts of Communication

- Distinguish that the way you say something is more important than what you say.
- The six personality types and their specific way of communicating.
- Presentation to each participant of his/her personality structure.

Understand and Manage Distress Behavior

- Distress and the different manifestations.
- The three degrees of distress: drivers, failure mechanisms, and despair.
- The consequences of distress on our efficiency, our communication and our management style.

Manage Situations of Miscommunication, Misunderstandings, Inefficiency, and Conflict

- Effects of stress in communication which generates stress in others.
- Identify behaviors of stress in others.
- How to manage PCM to return to positive and productive communication.

Develop Positive Communication

- The rule of communication.
- The different modes of perception by each personality type.
- Recognize the signs, attitudes, and behaviors indicative of the personality type of the person one is communicating with and use the right communication channel.

Motivate

- Psychological needs: what motivates and what does not motivate.
- How to satisfy everyone's psychological needs.

PCM LEVEL 2 PROGRAM

Connecting & Motivating

- Review Channel & Perceptions.
- Motivating with the psychological needs.
- Intervention strategy.

Resolving & Preventing Conflict

- Inviting out of doorway distress.
- Inviting out of failure mechanisms.
- Managing difficult situations: “How to say...?”

Advanced Theory

- Why do we phase? The issue of Personality phases.
- How the four myths manifest and are reinforced in distress.
- Identify life failure patterns by analyzing language, written and verbal.

TRAINER CERTIFICATION PROGRAM

This seminar is highly interactive and focuses on practicing all modules and communication processes. Participants will be observed and assessed both on their theoretical knowledge of the model and their ability to teach to any of the six personality types. Training will take place in a virtual classroom.

In order to be certified, participants will:

- Complete PCM 1 & PCM 2
- Answer a written questionnaire on the PCM components.
- Select training topics of Process Communication Model® to present in front of their peers and the Master Trainer.
- Practice and demonstrate skills on dealing with a driver behavior by using appropriate channel and perception.
- A passing score is a minimum of 7/10 for both process and content.

TESTIMONIALS

"Taking training sessions for Process Communication Model at Kahler Communications was one of the best decisions so far. It helped me on both a personal and societal level. I have learned about myself and my psychological needs, as well as how can I build a thriving atmosphere as a leader by understanding people and building a comfortable communication bridge with them. I believe PCM is a very valuable asset for every person and every company as they can understand how to build a healthy and effective workplace where people are motivated and developed."

Malika Baymuradova

"Suddenly facing confinement and having to do training online seemed to be at least uncertain for me. Fortunately, with Mickael on command of the ship, we had an amazing journey. Lots of fun and we got even more deeply into the PCM Topics. I highly recommend the model. It helped me understand who I am and how to properly communicate with others. Thanks guys!"

-Marc Cabedo, PCM Trainer
